

Most Valuable Players

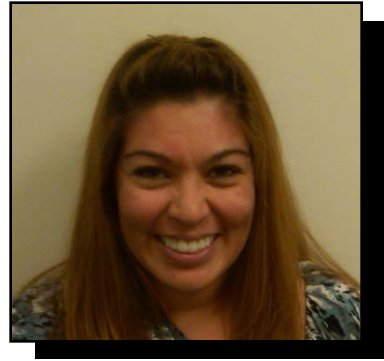

2nd Quarter 2011

Julissa Zamora

Billing Clerk : Corporate : SJC

A true picture of dedication, Julissa really stepped up her game in the second Quarter of this year. Due to recent start ups and significant changes in several clients' business procedures, the home office workload has grown dramatically. As the most senior associate on the SJC admin team, Julissa was looked to by many of us to help handle the new demands. Offering whatever time was needed, whenever it was needed, she played a big role in helping train newer members of the SJC team. From putting in extra hours whenever required, to truly challenging herself to improve things however she could, Julissa is well deserving of this honor and recognition. julissa.zamora@homedeliverylink.com

Tania Fabian

AE : Restoration Hardware : L.A.

What started as an AAE "on loan" from La-Z-Boy to help the new Restoration Hardware team get past some heavy workload demands during and after their startup, ended up as a permanent move with huge increase in responsibility, and a promotion. With her only concern being the well-being of her co-workers and the success of HDL, Tania jumped headfirst into a challenging environment and showed us the difference that one ultra-motivated individual can make. It would be far easier to count the hours that she did NOT work than it would be to count the hours that she DID work! She rallied her team and contractors to get her new account running like clockwork. tania.fabian@homedeliverylink.com

Tania and Julissa: Thanks for showing us the difference that two super-motivated people can make!

As MVPs, Tania and Julissa each receive a \$500 check and some "HDL gear" of their choosing.
